World Singing Day

Founded in 2012 by Boulder musician Scott Johnson, World Singing Day brings people together in their communities all around the world through the simple act of singing together. It's an opportunity each year to celebrate our global family through the international language of music.

Our goal for 2016 is to have community singalongs on all seven continents and reach over one million people through videos and social media.

A 501(c)(3) nonprofit organization, World Singing Day is not religious or political, nor does it promote any one country or culture. It aims to transcend those differences and celebrate what we all share as human beings. WorldSingingDay.org

United Nations Association of Boulder County

The UNA is dedicated to educating, inspiring and mobilizing people to support the principles and vital work of the United Nations in its efforts to promote peace around the world. Come celebrate UN Day on Monday, October 24. UNABoulder.org

Dear Boulder,

Thank you for taking part in the 2nd Annual Sing Along Boulder. It's my vision that communities around the world will gather like this on the same day each year to sing together, have fun, and celebrate our common humanity. What a wonderful world that would be.

Fight Song

Ginny and Mary

Like a small boat on the ocean
 Sending big waves into motion
 Like how a single word can make a heart open
 I might only have one match but I can make an explosion

And all those things I didn't say wrecking balls inside my brain
 I will scream them loud tonight, can you hear my voice this time?

chorus:

**This is my fight song
 Take back my life song
 Prove I'm alright song
 My power's turned on (Starting right now)
 I'll be strong
 I'll play my fight song
 And I don't really care if nobody else believes
 'Cause I've still got a lot of fight left in me**

Losing friends and I'm chasing sleep, everybody's worried about me
 In too deep, Say I'm in too deep (in too deep)
 And it's been two years I miss my home
 But there's a fire burning in my bones
 Still believe, yeah, I still believe

And all those things I didn't say, wrecking balls inside my brain
 I will scream them loud tonight, can you hear my voice this time?

chorus

Like a small boat on the ocean
 Sending big waves into motion
 Like how a single word can make a heart open
 I might only have one match . . . but I can make an explosion

chorus

Know I've still got a lot of fight left in me

Like I'm Gonna Lose You

Boulder International Film Festival (BIFF1.com)

I found myself dreaming in silver and gold
 Like a scene from a movie that every broken heart knows
 We were walking on moonlight and you pulled me close
 Split second and you disappeared and then I was all alone

I woke up in tears with you by my side
 A breath of relief and I realized
 No, we're not promised tomorrow

chorus:

**So I'm gonna love you
 Like I'm gonna lose you
 I'm gonna hold you
 Like I'm saying goodbye
 Wherever we're standing
 I won't take you for granted
 'Cause we'll never know when
 When we'll run out of time
 So I'm gonna love you
 Like I'm gonna lose you
 I'm gonna love you
 Like I'm gonna lose you**

In the blink of an eye just a whisper of smoke
 You could lose everything, the truth is you never know
 So I'll kiss you longer baby any chance that I get
 I'll make the most of the minutes and love with no regrets

Let's take our time to say what we want
 Use what we got before it's all gone
 'Cause no, we're not promised tomorrow

The Wild Rover

GolfAdventureGuides.com: Plan your own golf trips to Ireland

I've been a wild rover for many's the year
 And I've spent all my money on whiskey and beer
 But now I'm returning with gold in great store
 And I never will play the wild rover no more

chorus:

And it's no, nay, never (clap 4 times)
No, nay, never, no more
Will I play the wild rover
No, never, no more

I went into an ale-house I used to frequent
 And I told the landlady me money was spent
 I asked her for credit, she answered me nay
 Such a custom like yours I can have any day

chorus

I took from my pocket ten sovereigns bright
 And the landlady's eyes opened wide with delight
 She said I'd have whiskey and wines of the best
 And the words that she told me were only in jest

chorus

I'll go home to my parents, confess what I've done
 And I'll ask them to pardon their prodigal son
 And when they've caressed me as oft' times before
 Then I never will play the wild rover no more

chorus x 2

That's Amore

Moe's Broadway Bagel ("Only the best get baked")

In Napoli where love is king
When boy meets girl here's what they say

When the moon hits your eye like a big pizza pie
That's amore
When the world seems to shine like you've had too much wine
That's amore
Bells will ring ting-a-ling-a-ling, ting-a-ling-a-ling
And you'll sing "Vita bella"
Hearts will play tippy-tippy-tay, tippy-tippy-tay
Like a gay tarantella

When the stars make you drool just like a pasta fazool
That's amore
When you dance down the street with a cloud at your feet
You're in love
When you walk in a dream but you know you're not
Dreaming seniore
Scuzza me, but you see, back in old Napoli
That's amore

What The World Needs Now

Spaces Real Estate (YourSpaces.com)

chorus:

**What the world needs now is love, sweet love
It's the only thing that there's just too little of
What the world needs now is love, sweet love
No, not just for some but for everyone**

Lord, we don't need another mountain
There are mountains and hillsides enough to climb
There are oceans and rivers enough to cross
Enough to last 'till the end of time

chorus

Lord, we don't need another meadow
There are cornfields and wheat fields enough to grow
There are sunbeams and moonbeams enough to shine
Oh, listen, lord, if you want to know

What Makes You Beautiful

The United Nations Association of Boulder County

You're insecure
 Don't know what for
 You're turning heads when you walk through the door
 Don't need make-up, to cover up
 Being the way that you are is enough
 Everyone else in the room can see it, everyone else but you

chorus:

**Baby you light up my world like nobody else
 The way that you flip your hair gets me overwhelmed
 But when you smile at the ground it ain't hard to tell
 You don't know, oh oh
 You don't know you're beautiful
 If only you saw what I can see
 You'll understand why I want you so desperately
 Right now I'm looking at you and I can't believe
 You don't know, oh oh
 You don't know you're beautiful, oh oh
 That's what makes you beautiful**

So come on, you got it wrong
 To prove I'm right, I put it in a song
 I don't know why, you're being shy
 And turn away when I look into your eye eye eyes
 Everyone else in the room can see it, everyone else but you

chorus

Baby you light up my world like nobody else
 The way that you flip your hair gets me overwhelmed
 But when you smile at the ground it ain't hard to tell
 You don't know, oh oh
 You don't know you're beautiful

Let It Be

Ginny and Mary

When I find myself in times of trouble
 Mother Mary comes to me
 Speaking words of wisdom, let it be
 And in my hour of darkness
 She is standing right in front of me
 Speaking words of wisdom, let it be

chorus 1:

Let it be, let it be
Let it be, let it be
Whisper words of wisdom, let it be

And when the broken-hearted people
 Living in the world agree
 There will be an answer, let it be
 For though they may be parted
 There is still a chance that they will see
 There will be an answer, let it be

chorus 2:

Let it be, let it be
Let it be, let it be
Yeah, there will be an answer, let it be
Let it be, let it be
Let it be, let it be
Whisper words of wisdom, let it be

chorus 1

And when the night is cloudy
 There is still a light that shines on me
 Shine on until tomorrow, let it be
 I wake up to the sound of music
 Mother Mary comes to me
 Speaking words of wisdom, let it be

chorus 2

America The Beautiful (and Boulder too)

Boulder Valley Rotary Club

O beautiful for spacious skies, for amber waves of grain
For purple mountain majesties
Above the fruited plain
America! America
God shed his grace on thee
And crown thy good with brotherhood
From sea to shining sea

So beautiful our mountains are, like irons flat and tall
Above our pearly streets below
We hike them one and all
Oh Boulder, Oh Boulder
God shed her grace on thee
From herbal teas to breweries
It's home to you and me

So beautiful our city is, with nature all around
With belts of green and miles of trails
Outdoor delights abound
Oh Boulder, Oh Boulder
God shed her grace on thee
From techie geeks to sport elites
And all those in between

O beautiful for spacious skies, for amber waves of grain
For purple mountain majesties
Above the fruited plain
America! America
God shed his grace on thee
And crown thy good with brotherhood
From sea to shining sea

Can't Help Falling In Love

Caroline Himes

Wise men say only fools rush in
But I can't help falling in love with you
Shall I stay
Would it be a sin
If I can't help falling in love with you

Like a river flows surely to the sea
Darling so it goes
Some things are meant to be
Take my hand, take my whole life too
For I can't help falling in love with you

Like a river flows surely to the sea
Darling so it goes
Some things are meant to be

Take my hand, take my whole life too
For I can't help falling in love with you
For I can't help falling in love with you

Friends In Low Places

Jeff Staniszeski, contractor/handyman (Skyline-pros.com)

Blame it all on my roots, I showed up in boots
 And ruined your black tie affair
 The last one to know, the last one to show
 I was the last one you thought you'd see there
 And I saw the surprise and the fear in his eyes
 When I took his glass of champagne
 And I toasted you, said, honey, we may be through
 But you'll never hear me complain

chorus:

**'Cause I've got friends in low places
 Where the whiskey drowns and the beer chases
 My blues away and I'll be okay
 I'm not big on social graces
 Think I'll slip on down to the oasis
 Oh, I've got friends in low places**

Well, I guess I was wrong, I just don't belong
 But then I've been there before
 Everything's all right I'll just say goodnight
 And I'll show myself to the door
 Hey, I didn't mean to cause a big scene
 Just give me an hour and then
 Well, I'll be as high as that ivory tower that you're livin' in

chorus

I guess I was wrong, I just don't belong
 But then I've been there before
 And everything is alright, I'll just say goodnight
 And I'll show myself to the door
 I didn't mean to cause a big scene, just wait 'til I finish this glass
 Then sweet little lady I'll head back to the bar
 And you can kiss my ass

I Love Rock 'n Roll

The Conversation Project in Boulder County

I saw him dancing there by the record machine
 I knew he must have been about seventeen
 The beat was going strong
 Playing my favorite song
 And I could tell it wouldn't be long till he was with me, yeah me
 And I could tell it wouldn't be long till he was with me, yeah me

chorus:

**Singing, I love rock and roll
 So put another dime in the jukebox, baby
 I love rock and roll
 So come and take your time and dance with me
 Ow!**

He smiled, so I got up and asked for his name
 But that don't matter, he said, 'cause it's all the same
 He said, "Can I take you home
 Where we can be alone?"
 And next we were moving on, he was with me, yeah me
 Next we were moving on, he was with me, yeah me

chorus

He said, "Can I take you home
 Where we can be alone?"
 Next we're moving on, he was with me, yeah me
 And we'll be moving on and singing that same old song, yeah
 with me

Hey Jude

Dr. Mark Jaffee, DDS, at 2897 Folsom (MarkJaffeeDDS.com)

verse 1:

Hey Jude, don't make it bad
 Take a sad song and make it better
 Remember to let her into your heart (under your skin)
 Then you can start (begin) to make it better

Hey Jude, don't be afraid
 You were made to go out and get her
 The minute you let her under your skin
 Then you begin to make it better

And anytime you feel the pain, hey Jude, refrain
 Don't carry the world upon your shoulders
 For well you know that it's a fool who plays it cool
 By making his world a little colder
 Nah nah nah nah nah nah nah nah nah

Hey Jude, don't let me down
 You have found her, now go and get her
 Remember to let her into your heart
 Then you can start to make it better

So let it out and let it in, hey Jude, begin
 You're waiting for someone to perform with
 And don't you know that it's just you, hey Jude, you'll do
 The movement you need is on your shoulder
 Nah nah nah nah nah nah nah nah nah yeah

verse 1

Nah nah nah nah nah nah, nah nah nah, hey Jude

(I Can't Get No) Satisfaction

Amanda Carrothers, personal/executive coach (EmbodyPower.com)

Chorus:

**I can't get no satisfaction, I can't get no satisfaction
 'Cause I try and I try and I try and I try
 I can't get no, I can't get no**

When I'm drivin' in my car
 And a man comes on the radio
 And he's tellin' me more and more
 About some useless information
 Supposed to fire my imagination
 I can't get no, oh no no no, hey hey hey, that's what I say

Chorus

When I'm watchin' my TV
 And a man comes on to tell me
 How white my shirts can be
 But he can't be a man 'cause he doesn't smoke
 The same cigarettes as me
 I can't get no, oh no no no
 Hey hey hey, that's what I say

Chorus

When I'm ridin' round the world
 And I'm doin' this and I'm signing that
 And I'm tryin' to please some girl
 Who tells me baby better come back later next week
 Cause you see I'm on losing streak
 I can't get no, oh no no no
 Hey hey hey, that's what I say
 I can't get no, I can't get no
 I can't get no satisfaction
 No satisfaction, no satisfaction, no satisfaction

That's life (that's life) that's what all the people say
 You're riding high in April shot down in May
 But I know I'm gonna change that tune
 When I'm back on top, back on top in June

I said, that's life (that's life) and as funny as it may seem
 Some people get their kicks stompin' on a dream
 But I don't let it, let it get me down
 'Cause this fine old world it keeps spinnin' around

 A poet, a pawn and a king
 I've been up and down and over and out

That's life (that's life) I tell ya, I can't deny it
 I thought of quittin', baby
 But my heart just ain't gonna buy it
 And if I didn't think it was worth one single try
 I'd jump right on a big bird and then I'd fly

The Schade Family

Hey where did we go, days when the rains came
 Down in the hollow playin' a new game
 Laughin' and a-runnin', skippin' and a-jumpin'
 In the misty morning fog with our hearts a-thumpin'
 It was you, my brown-eyed girl, you my brown-eyed girl

Hey what ever happened, Tuesday is oh so slow
 Goin' down the old mine with a transistor radio
 Standin' in the sunlit lane, Hidin' 'hind a rainbow's wall
 Slippin' and a-slidin' all along the waterfall
 It was you, my brown-eyed girl, you my brown-eyed girl

Imagine there's no heaven
It's easy if you try
No hell below us
Above us only sky
Imagine all the people
Living for today, aha-ah

Imagine there's no countries
It isn't hard to do
Nothing to kill or die for
And no religion too
Imagine all the people
Living life in peace, You

You may say I'm a dreamer
But I'm not the only one
I hope someday you'll join us
And the world will be as one

Imagine no possessions
I wonder if you can
No need for greed or hunger
A brotherhood of man

What a Wonderful World

Constance Holden & TK Smith (TheConversationProjectinBoulder.org)

I see trees of green, red roses too
I see them bloom for me and you
And I think to myself what a wonderful world

I see skies of blue and clouds of white
The bright blessed day, the dark sacred night
And I think to myself what a wonderful world

The colors of the rainbow so pretty in the sky
Are also on the faces of people going by
I see friends shakin' hands saying "How do you do?"
They're really saying "I love you"

I hear babies cry, I watch them grow
They'll learn much more than I'll ever know
And I think to myself what a wonderful world

I think to myself what a wonderful world
